- Turkey – İncirliova İlçe Milli Eğitim Müdürlüğü
- Poland – Fundacja Instytut Rozwoju Regionalnego

The main aim of our partnership "COLOURS OF EUROPE"

is to study the similarities and the differences between European countries on the field of widely meant culture and European languages.

Participants will be working in six different areas represented by colours.

- **GREEN** – geography and environment
- **RED** – history and traditions
- **PINK** – tourism
- **VIOLET** – habits and consumption
- **BLUE** intercultural and multicultural education
- **YELLOW** -using technology for life

By this project we want to help learners, teachers and local community understand that differences can be a real source of enrichment.
